

No.10-1/2016 Fert Use
Government of India
Ministry of Agriculture & Farmers Welfare
Department of Agriculture, Cooperation & Farmers Welfare
(Fert Use/INM Divn)

Krishi Bhawan, New Delhi
Dated the 2nd August, 2017.

The Principal Secretary/Commissioner (Agriculture),
Department of Agriculture
Government of (All States/UTs)
.....

Subject: Setting up of Soil Testing Labs under Soil Health Management
Scheme of NMSA – regarding.

Sir,

As you are aware, creation / strengthening of soil testing labs is prerequisite for completing the soil testing and for reaching out to the farmers with appropriate recommendation in time. In the absence of complete information on existing soil testing labs, we are unable to assess the additional testing capacity requirement in the States.

2. Therefore, it is requested to provide the information about existing capacity of Soil Testing facility (Static, Mobile and Mini Labs) and requirement with justification for additional Soil Testing Labs in the format immediately by e-mail. This will be discussed in the next Video Conference to be held on 08.08.2017. The information may be furnished by e-mail (at fertusecell@gmail.com).

Yours faithfully,

(J.P. Chaudhary)
Assistant Commissioner (INM)

Encl: As above.
